KUDOS

"Denny Svehla brings natural warmth to your heart and a new breath of life to Neil Diamond's music. Denny as Neil Diamond sounds like Americana: Warm, comforting - just what you expect! Captivating! Energetic! Charismatic! A guaranteed crowd pleaser and a sold out show"

- Laura Witlox - Woodstock Opera House

We really appreciated Denny asking the audience to expand the association and appreciate live music. He was genuinely appreciative of the opportunity to appear across the country and was very complimentary of our facility, organization, city and personnel. That goes a long way"

- Portage, IN. Concert Association

"Denny, Lucas and Spenser knocked it out of the park on Saturday here in Holstein, and they left the Clausen Center with 400 new friends. They were genuinely nice guys to have around too, and we all appreciated the chance to the to know them. As for the audience, they have been incredibly complimentary, and I have even had thank you's from people who DIDN'T see the show but heard about it from their friends. Now that's impact."

- Ken Buell - Holstien, IA

"The Singer Sings His Songs" An intimate concert experience featuring the life and music of Neil Diamond as Denny tells the stories of inspiration behind the songs.

"Good Times Music Show" Denny and his son's, Lucas and Spenser, tell stories and perform songs made famous by Neil Diamond, Jim Croce, Johnny Cash, Buddy Holly, Dean Martin, Ricky Nelson, Glen Campbell and the Everly Brothers. And of course their witty banter!

Denny Svehla, aka Denny Diamond, is one of the nation's most sought after vocalist/entertainers best known for his presentation of the music of Neil Diamond. During his career, spanning over 20 years, Denny has performed his Branson style performance for thousands of people across the United States. His baritone pipes have an amazing resemblance to that of Neil Diamond's distinctive timbre and his stage presence is second to none.

After capturing the attention of the Dick Clark produced, talent seeking television show, "Your Big Break," Denny's career focus was confirmed. He became a sought after performer who excelled at leaving audiences enchanted! Along with the boys, these three artists create a dynamic four-piece band, courtesy of Spenser's unique ability to play both bass and drums simultaneously. No performance brings you the brilliance of Neil Diamond's music like "Beautiful Noise" or "And The Singer Sings His Songs" starring Denny Diamond and The Jewels.

Performances can be seen as a solo acoustic act, an acoustic duo or an acoustic family trio with his son's Lucas and Spenser (a.k.a. "The Jewels"). When adding "The Jewels" artists like The Everly Brothers, Buddy Holly and Johnny Cash are added to their repertoire.

The shows are full of great music, comedy and family fun!
